Also discover the handy Doccle app.

Download it now!

Receive your payslip digitally from now on

Payroll will soon be digitised with Doccle, the app that takes care of your administration in a few clicks.

- To receive your payslips digitally, connect to your personal **Doccle** account. If you don't have one yet, create one for free.
- Then add your employer or social secretariat to **Doccle**.
- From then on, you will receive all your wage documents securely and free of charge via **Doccle**.
- Your payslips are stored securely for as long as you want and are always accessible anywhere and anytime.

This is how you receive your payslips digitally!

Soon you will receive an e-mail with your personal link.

The link in the e-mail gives you access to your personal documents. So be sure not to forward this e-mail.

Click on the link or action button in the email.

Log in to your Doccle account or create an account if you do not have one yet.

Your employer will be added automatically to your Doccle account.

You do not need any codes for this.

Done!

You will now receive your wage documents digitally. With every new payslip, you will receive an e-mail or a notification in the app.

Doccle's benefits

Practical

You receive a notification for every new invoice, you pay on the day you want or you get a reminder when the due date of your invoice approaches.

All in 1 place

Documents such as invoices or payslips, from different companies kept together in a central location, for as long as you want.

Multifunctional

You can pay invoices with Bancontact through your trusted banking application, sign documents and share documents securely.

Reliable & secure

The Doccle platform is highly secure. It protects you against phishing as there are only authentic invoices in Doccle.

Free

Doccle is and will remain entirely free. There are no additional costs for payments or storage of your documents.

Accessible

Your documents are available anytime, anywhere, via PC, tablet or mobile app on smartphone.
